

Easton Bench 600 1200mm Galvanised, Galvanised & Colour or Stainless

With a simple and stylish design the Easton Bench 600 from AUTOPA is ideal for busy public areas such as schools and shopping centres.

The Easton is supplied in galvanised mild steel, or stainless steel. Galvanised and powder coated is an optional extra (RAL number must be stated at time of order).

Available concrete in and bolt down.

Part Number	Description	Weight (kg)

Product details

- 1200mm x 589mm x 451mm (length x width x height)
- 451mm (seat height)
- Galvanised/galvanised & coated finish complete with plastic end caps
- Concrete in 300mm (below ground)
- Round flange plate – 133mm x 5mm
- Each bench requires 6 x 12mm bolts

Installation & use

Supplied fully welded for easy installation on site.

Bolt down versions require bolting to an appropriate concrete surface by means of 12mm bolts.

Concrete in versions require an excavated hole for installation.

Clean off any concrete splashes after installation. Always allow sufficient time for concrete to cure before usage.

These products are guaranteed for 12 months (if installed and used correctly).
