The AUTOPA Flared Top Bin is ideal for use in high traffic public areas such as high streets and parks. With a simple and stylish flared top design, this bin is designed to complement the Rockingham range of street furniture. Supplied with a galvanised steel liner as standard, the base of the bin can be bolted onto the floor for added security.

The Flared Top Litter Bin is supplied in galvanised mild steel, or stainless steel. Galvanised and powder coated is an optional extra (RAL number must be stated at time of order).
