

VPP-WM 1000 Column Protector

48mm Diameter

Galvanised or Galvanised & Colour

Functional and robust in design, AUTOPA's range of vertical column protectors are designed to protect pipes and other vulnerable pillars from vehicle damage in a busy industrial environment. Manufactured from mild steel and galvanised to ensure their longevity. Suitable for both internal and external use.

Available in galvanised and galvanised & coated (RAL/BS numbers must be specified at time of order) or galvanised and coated yellow complete with black bands.

Bolted to the wall, around pipes up to 250mm diameter.
