

# 900mm Black & Yellow Bollard

## 168mm - 323mm Diameter

### Bolt Down

The AUTOPA range of Black & Yellow bollards are ideal for providing high visibility protection in both internal and external warehousing environments. All products in the range are galvanised mild steel, ensuring their longevity and are designed to take the knocks and bumps that occur in all warehouse environments.

The bollard is coated black with 2 x 150mm reflective yellow bands spaced at 200mm.

| Part Number   | Description          | Weight |
|---------------|----------------------|--------|
| 138 121 741BY | 168mm Black & Yellow | 23kg   |
