

Plain Round Bollard 1500mm Above Ground 168mm - 323mm Diameter Galvanised & Yellow - Bolt Down

AUTOPA's range of Plain Round Bollards offers a simple and cost effective means of establishing control over parking and access. Plain Round Bollards are ideal for use around pedestrian precincts, pavements, play and parking areas, as part of traffic calming measures, pedestrianisation schemes and as a deterrent to ram-raiders.

The complete range of Plain Round Bollards is available in diameters from 76mm to 323mm and is available with extended legs for casting into concrete or with a flange plate for bolting down.

Additional colour coated versions are also available.
