

# Fixed Bollard 900mm Above Ground 60mm - 193mm Diameter Galvanised & Yellow - Bolt Down

AUTOPA's range of Plain Round Bollards offers a simple and cost effective means of establishing control over parking and access. Yellow bollards are suitable for use where high visibility is paramount and can be used around pedestrian precincts, pavements, play and parking areas, as part of traffic calming measures, pedestrianisation schemes and as a deterrent to ram-raiders.

The complete range of Plain Round Bollards is available in diameters from 60mm to 193mm and is available with extended legs for casting into concrete or with a flange plate for bolting down.

Additional colour coated options and removable versions are also available.

| Part Number  | Diameter                  | Weight (kg) |
|--------------|---------------------------|-------------|
| 138 121 119Y | 60mm Galvanised & Yellow  | 5kg         |
