

Removable Bollard 900mm Above Ground 60mm - 193mm Diameter Galvanised & Yellow

The Removable Bollard offers an effective, simple and robust way to protect premises and vehicles. The simple tab and padlock system provides an easy to operate solution for locking the bollard in place. Removable Bollards are particularly suitable for locations where occasional access is required.

Yellow bollards are also suitable for use where high visibility is paramount and can be used around pedestrian precincts, pavements, play and parking areas, as part of traffic calming measures, pedestrianisation schemes and as a deterrent to ram-raiders. The Removable Bollard is available in diameters from 60mm through to 193mm. Padlock to secure is available at an extra cost.

The Removable Bollard 900 is ideal for protecting vehicle forecourts, commercial premises, car parks and domestic driveways and can be used in conjunction with fixed bollards as part of a security system for all types of premises.

Part Number	Description	Lift Weight (kg)	Weight (kg)
138 121 115Y	60mm Galvanised & Yellow	5kg	9kg
138 121 250Y	76mm Galvanised & Yellow	6kg	10kg
138 121 291Y	90mm Galvanised & Yellow	7kg	11kg
138 121 310Y	101mm Galvanised & Yellow	9kg	17kg
