

Square Removable Bollard 1000 Above Ground

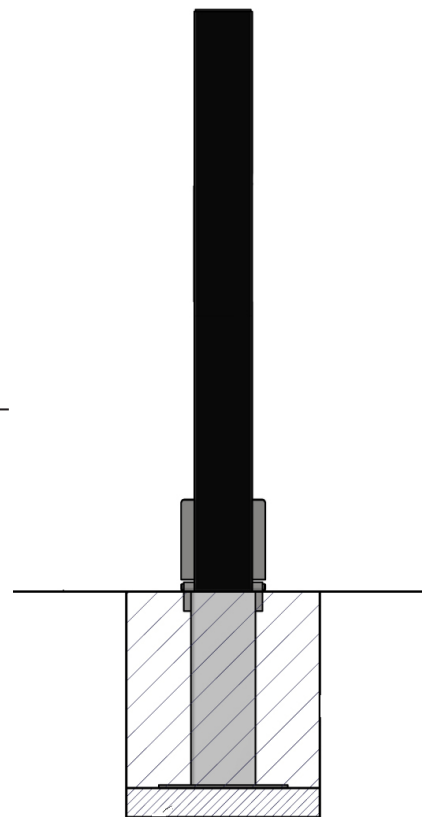

50mm - 150mm Square

Galvanised & Yellow

The AUTOPA Square Removable Post is ideal for securing areas only occasional access is needed. The post is locked into the ground socket using a padlock (available separately) and can be removed as required to allow access. Additional ground sockets are available to safely store the post when it is not in use.

The Square Removable Post is available in sizes; 750mm, 900mm and 1000mm above ground. Manufactured from galvanised mild steel as standard and can be colour coated as required (BS/RAL codes must be specified at time of order). Also available in Black with a White reflective band.

Part Number	Description	Lift Weight (kg)	Weight (kg)
